

MULTIPLE LISTING SERVICE RULES AND REGULATIONS

Approved 2015

Section 1. Authority. The Association of REALTORS® shall maintain for the use of its Members a Multiple Listing Service which shall be subject to the Bylaws of the association of REALTORS® and such rules and regulations as may be hereinafter adopted.

Section 2. Purpose. A Multiple Listing Service is a means by which authorized Participants make blanket unilateral offers of compensation to other Participants (acting as subagents, buyer agents, or in other agency or non-agency capacities defined by law); by which cooperation among participants is enhanced; by which information is accumulated and disseminated to enable authorized Participants to prepare appraisals, analyses, and other valuations of real property for bona fide clients and customers; by which Participants engaging in real estate appraisal contribute to common data bases; and is a facility for the orderly correlation and dissemination of listing information so participants may better serve their clients and the public. Entitlement to compensation is determined by the cooperating broker's performance as a procuring cause of the sale (or lease).

Section 3. Participation. Any REALTOR® Member of this or any other association who is a principal, partner, or corporate officer, or branch manager acting on behalf of the principal, without further qualification, except as otherwise stipulated in these bylaws, shall be eligible to participate in Multiple Listing upon agreeing in writing to conform to the rules and regulations thereof and to pay the costs incidental thereto. However, under no circumstances is any individual or firm, regardless of membership status, entitled to Multiple Listing Service "Membership" or "Participation" unless they hold a current, valid real estate broker's license and offer or accept compensation to and from other Participants; or are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property. Use of information developed by or published by an Association Multiple Listing Service is strictly limited to the activities authorized under a Participant's licensor(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey "Participation", or "Membership" or any right of access to information developed or published by an Association Multiple Listing Service where access to such information is prohibited by law.

Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm offers or accepts cooperation and compensation means that the participant actively endeavors during the operation of its real estate business to list real property of the type listed on the MLS and/or to accept offers of cooperation and compensation made by listing brokers or agents in the MLS. "Actively" means on a continual and ongoing basis during the operation of the participant's real estate business. The "actively" requirement is not intended to preclude MLS participation by a participant or potential participant that operates a real estate business on a part-time, seasonal, or similarly time-limited basis or that has its business interrupted

by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a participant or potential participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the participant or potential participant as long as the level of service satisfies state law. *(Adopted 11/08)*

The key is that the participant or potential participant actively endeavors to make or accept offers of cooperation and compensation with respect to properties of the type that are listed on the MLS in which participation is sought. This requirement does not permit an MLS to deny participation to a participant or potential participant that operates a "Virtual Office Website" (VOW) (including a VOW that the participant uses to refer customers to other participants) if the participant or potential participant actively endeavors to make or accept offers of cooperation and compensation. An MLS may evaluate whether a participant or potential participant actively endeavors during the operation of its real estate business to offer or accept cooperation and compensation only if the MLS has a reasonable basis to believe that the participant or potential participant is in fact not doing so. The membership requirement shall be applied in a nondiscriminatory manner to all participants and potential participants. *(Adopted 11/08)*

Section 4. Supervision. The activity shall be operated under the supervision of the Multiple Listing Committee in accordance with the Rules and Regulations, subject to the approval of Highland Lakes Association of REALTORS® Board of Directors.

Section 5. Appointment of Committee. The President shall appoint, subject to confirmation by the Board of Directors, a Multiple Listing Committee with a minimum of five (5) and not to exceed seven (7) REALTOR® Members. All members of the Committee shall be Participants in Multiple Listing except, at the option of the local Association, REALTORS® affiliated with Participants may be appointed to serve in such numbers as determined by the local Association. The Committee Members so named shall serve two-year staggered terms. Chairperson shall be designated by the President.

Section 6. Vacancies. Vacancies in unexpired terms shall be filled as in the case of original appointees.

Section 7. Attendance. Any Committee Member who fails to attend three (3) regular or special meetings of the Committee, without an excuse acceptable to the Chairperson of the Committee, shall be removed, and the vacancy shall be filled as herein provided for original appointees.

Section 8. Subscribers. Subscribers (or users) of the MLS include non-principal brokers, sales associates, and licensed and certified appraisers affiliated with Participants. (Subscribers also include affiliated unlicensed administrative and clerical staff, personal assistants, and individuals seeking licensure or certification as real estate appraisers who are under the direct supervision of an MLS Participant or the Participant's licensed designee.) *(Adopted 4/92)*

Listing Procedures

Section 1 Listing Procedures

Listings of real or personal property of the following types, which are listed subject to a real estate broker's license, and are located within the territorial jurisdiction of the Association of REALTORS® and are taken by Participants on an exclusive right to sell or exclusive agency listing form shall be entered in the Multiple Listing Service within forty-eight (48) hours after all necessary signatures of seller(s) have been obtained: *(Amended 11/01)*

- (a) Two-family, three-family, and four-family residential buildings for sale or exchange
- (b) Farms, ranches, and acreage for sale or exchange
- (c) Residential Lots
- (e) Commercial, Industrial

Note 1: The Multiple Listing Service shall not require a Participant to submit listings on a form other than the form the Participant individually chooses to utilize provided the listing is of a type accepted by the Service, although a property data form may be required as approved by the Multiple Listing Service. However, the Multiple Listing Service, through its legal counsel:

- may reserve the right to refuse to accept a listing form which fails to adequately protect the interests of the public and the Participants
- assure that no listing form filed with the Multiple Listing Service establishes directly or indirectly, any contractual relationship between the Multiple Listing Service and the client (buyer or seller)

The Multiple Listing Service shall accept exclusive right to sell listing contracts and exclusive agency listing contracts, and may accept other forms of agreement which make it possible for the listing broker to offer compensation to the other Participants of the Multiple Listing Service acting as subagents, buyer agents, or both. *(Amended 11/96)*

The listing agreement must include the seller's written authorization to submit the agreement to the Multiple Listing Service. *(Amended 11/96)*

The different types of listing agreements include:

- (a) exclusive right to sell
- (b) exclusive agency
- (c) open
- (d) net

The Service may not accept **net listings** because they are deemed unethical and, in most states, illegal. **Open listings** are not accepted, except where required by law because the inherent nature of an open listing is such as to usually not include the authority to cooperate and compensate other brokers and inherently provides a disincentive for cooperation. *(Amended 11/92)*

The **exclusive right to sell listing** is the conventional form of listing submitted to the Multiple Listing Service in that the seller authorizes the listing broker to cooperate with and to compensate other brokers. *(Amended 4/92)*

The **exclusive agency listing** also authorizes the listing broker, as exclusive agent, to offer cooperation and compensation on a blanket unilateral bases, but also reserves to the seller the general right to sell the property on an unlimited or restrictive basis. Exclusive agency listings and exclusive right to sell listings with named prospects exempted should be clearly distinguished by a simple designation such as a code or symbol from exclusive right to sell listings with no named prospects exempt, since they can present special risks of procuring cause controversies and administrative problems not posed by exclusive right to sell listings with no named prospects exempt. Care should be exercised to ensure that different codes or symbols are used to denote exclusive agency and exclusive right to sell listings with prospect reservations. *(Amended 4/92)*

Note 2: A multiple listing service does not regulate the type of listings its members may take. This does not mean that a Multiple Listing Service must accept every type of listing. The multiple listing service shall decline to accept open listings (except where acceptance is required by law) and net listings, and it may limit its service to listings of certain kinds of property. But, if it chooses to limit the kind of listings it will accept, it shall leave its members free to accept such listings to be handled outside the multiple listing service.

Note 3: A multiple listing service may, as a matter of local option, accept exclusively listed property that is subject to auction. If such listings do not show a listed price, they may be included in a separate section of the MLS compilation of current listings. *(Adopted 11/92)*

Section 1.1 Listings Subject to Rules and Regulations of the Service. Any listing taken on a contract to be filed with the Multiple Listing Service is subject to the rules and regulations of the Service upon signature of the seller(s).

Section 1.2 Detail on Listings Filed with the Service. A listing agreement or property data form, when filed with the Multiple Listing Service by the listing broker, shall be complete in every detail which is ascertainable as specified on the property data form.

Section 1.3 Exempted Listings. If the seller refuses to permit the listing to be disseminated by the Service, the Participant may then take the listing (“office exclusive”) and such listing shall be filed with the Service but not disseminated to the Participants. Filing of the listing should be accompanied by certification signed by the seller that he does not desire the listing to be disseminated by the Service.

Note: Section 1.3 is not required if the Service does not require all exclusive right-to-sell and exclusive agency listings be submitted by Participant of the Service.

Section 1.4 Change of Status of Listing. Any change in listed price or other change in the original listing agreement shall be made only when authorized in writing by the seller and shall be filed with the Service within forty eight (48) hours (excepting weekends, holidays, and postal holidays) after the authorized change is received by the listing broker.

Section 1.5 Withdrawal of Listing Prior to Expiration. Listings of property may be withdrawn from the Multiple Listing Service by the listing broker before the expiration date of the listing agreement, provided notice is filed with the Service, including a copy of the agreement between the seller and the listing broker which authorizes the withdrawal. Listing in any pending sale status may not be withdrawn.

Sellers do not have the unilateral right to require an MLS to withdraw a listing without the listing broker’s concurrence. However, when a seller(s) can document that his exclusive relationship with the listing broker has been terminated, the Multiple Listing Service may remove the listing at the request of the seller.
(Adopted 11/96)

Section 1.6 Contingencies Applicable to Listings. Any contingency or conditions of any term in a listing shall be specified and noticed to the Participants.

Section 1.7 Listing Price Specified. The full gross listing price stated in the listing contract will be included in the information published in the MLS compilation of current listings, unless the property is subject to auction.
(Amended 11/92)

Section 1.8 Listing Multiple Unit Properties. All properties which are to be sold or which may be sold separately must be indicated individually in the listing

and on the property data form. When part of a listed property has been sold, proper notification should be given to the Multiple Listing Service.

Section 1.9 No Control of Commission Rates or Fees Charged by Participants. The Multiple Listing Service shall not fix, control, recommend, suggest, or maintain commission rates or fees for services to be rendered by Participants. Further, the Multiple Listing Service shall not fix, control, recommend, suggest, or maintain the division of commissions or fees between cooperating Participants or between Participants and non-participants.

Section 1.10 Expiration, Extension, and Renewal of Listings. Any listing filed with the Multiple Listing Service will automatically be removed from the compilation of current listings on the expiration date specified in the agreement, unless renewed by the listing broker and notice of renewal or extension is filed with the Service prior to expiration. (Amended 7/15) M

If notice of renewal or extension is dated after the expiration date of the original listing, then a new listing must be secured for the listing to be filed with the Service. It should then be published as a new listing. Any extension or renewal of a listing must be signed by the seller(s) and be filed with the Service.

Section 1.11 Termination Date on Listings. Listings filed with the Service shall bear a definite and final termination date, as negotiated between the listing broker and the seller.

Section 1.12 Jurisdiction. Only listings of the designated types of property located within the jurisdiction of the association of REALTORS® are required to be submitted to the Service. Listings of property located outside the association's jurisdiction will be accepted if submitted voluntarily by a Participant, but cannot be required by the Service. (Amended 11/01)

Note: Associations must choose whether the Service will accept listings from beyond its jurisdiction into the MLS compilation. (Amended 11/88)

Section 1.13 Listings of Suspended Participants. When a Participant of the Service is suspended from the MLS for failing to abide by a membership duty (i.e., violation of the Code of Ethics, association bylaws, MLS bylaws, MLS rules and regulations, or other membership obligation except failure to pay appropriate dues, fees, or charges), all listings currently filed with the MLS by the suspended Participant shall, at the Participant's option, be retained in the Service until sold, withdrawn or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the suspension became effective. If a Participant has been suspended from the association (except where MLS participation without association membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees, or charges, an association MLS is not obligated to provide MLS services, including continued inclusion of the suspended Participant's listings in the MLS compilation of current listing information. Prior to any removal of a suspended Participant's listings from the MLS, the suspended Participant should be advised, in writing, of the intended removal so that the suspended Participant may advise his clients.

Section 1.14 Listings of Expelled Participants. When a Participant of the Service is expelled from the MLS for failing to abide by a membership duty (i.e., violation of the Code of Ethics, association bylaws, MLS bylaws, MLS rules and regulations, or other membership obligations except failure to pay appropriate dues, fees, or charges), all listings currently filed with the MLS shall, at the expelled Participant's option, be retained in the Service until sold, withdrawn, or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the expulsion became effective. If a Participant has been expelled from the association (except where MLS participation without association membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees, or charges, an association MLS is not obligated to provide MLS services, including continued inclusion of the expelled Participant's listings in the MLS compilation of current listing information. Prior to any removal of an expelled Participant's listings from the MLS, the expelled Participant should be advised, in writing, of the intended removal so that the expelled Participant may advise his clients.

Section 1.15 Listings of Resigned Participants. When a Participant resigns from the MLS, the MLS is not obligated to provide services, including continued inclusion of the resigned Participant's listings in the MLS compilation of current listing information. Prior to any removal of a resigned Participant's listings from the MLS, the resigned Participant should be advised, in writing, of the intended removal so that the resigned Participant may advise his clients.

Selling Procedures

Section 2 Showings and Negotiations. Appointments for showings and negotiations with the seller for the purchase of listed property filed with the Multiple Listing Service shall be conducted through the listing broker, except under the following circumstances:

- (a) the listing broker gives the cooperating broker specific authority to show and/or negotiate directly, or
- (b) after reasonable effort, if the cooperating broker cannot contact the listing broker or his representative; however, the listing broker, at his option, may preclude such direct negotiations by cooperating brokers. (Adopted 4/92)

Section 2.1 Presentation of Offers. The listing broker must make arrangements to present the offer as soon as possible, or give the cooperating broker a satisfactory reason for not doing so. (*Amended 4/92*)

Section 2.2 Submission of Written Offers and Counter-offers. The listing broker shall submit to the seller all written offers until closing unless precluded by law, government rule, regulation, or agreed otherwise in writing between the seller and the listing broker. Unless the subsequent offer is contingent upon the termination of an existing contract, the listing broker shall recommend that the

seller obtain the advice of legal counsel prior to acceptance of the subsequent offer.

Participants representing buyers or tenants shall submit to the buyer or tenant all offers and counter-offers until acceptance, and shall recommend that buyers and tenants obtain legal advice where there is a question about whether a pre-existing contract has been terminated. *(Amended 11/05)*

Section 2.3 Right of Cooperating Broker in Presentation of Offer. The cooperating broker (subagent or buyer agent) or his representative has the right to participate in the presentation to the seller or lessor of any offer he secures to purchase or lease. He does not have the right to be present at any discussion or evaluation of that offer by the seller or lessor and the listing broker. However, if the seller or lessor gives written instructions to the listing broker that the cooperating broker not be present when an offer the cooperating broker secured is presented, the cooperating broker has the right to a copy of the seller's or lessor's written instructions. None of the foregoing diminishes the listing broker's right to control the establishment of appointments for such presentations. *(Amended 4/92)*

Section 2.4 Right of Listing Broker in Presentation of Counter-Offer. The listing broker or his representative has the right to participate in the presentation of any counter-offer made by the seller or lessor. He does not have the right to be present at any discussion or evaluation of a counter-offer by the purchaser or lessee (except when the cooperating broker is a subagent). However, if the purchaser or lessee gives written instructions to the cooperating broker that the listing broker not be present when a counter-offer is presented, the listing broker has the right to a copy of the purchaser's or lessee's written instructions. *(Adopted 11/93)*

Section 2.5 Reporting Sales to the Service. Status changes, including final closing of sales and sales prices, shall be reported to the Multiple Listing Service by the listing broker within twenty-four (24) hours after they have occurred. If negotiations were carried on under Section 2 a. or b. hereof, the cooperating broker shall report accepted offers and prices to the listing broker within twenty-four (24) hours after occurrence and the listing broker shall report them to the MLS within twenty-four (24) hours after receiving notice from the cooperating broker. *(Amended 11/11)*

Note 1: The listing agreement of a property filed with the MLS by the listing broker should include a provision expressly granting the listing broker authority to advertise; to file the listing with the MLS; to provide timely notice of status changes of the listing to the MLS; and to provide sales information including selling price to the MLS upon sale of the property. If deemed desirable by the MLS to publish sales information prior to final closing (settlement) of a sales transaction, the listing agreement should also include a provision expressly granting the listing broker the right to authorize dissemination of this information by the MLS to its Participants. *(Amended 11/01)*

Note 2: In disclosure states, if the sale price of a listed property is recorded, the reporting of the sale price may be required by the MLS.

In states where the actual sale prices of completed transactions are not publicly accessible, failure to report sale prices can result in disciplinary action only if the MLS:

1. categorizes sale price information as confidential and
2. limits use of sale price information to participants and subscribers in providing real estate services, including appraisals, and other valuations, to customers and clients; and to governmental bodies and third-party entities only as provided below.

The MLS may provide sale price information to governmental bodies only to be used for statistical purposes (including use of aggregated data for purposes of valuing property) and to confirm the accuracy of information submitted by property owners or their representatives in connection with property valuation challenges; and to third-party entities only to be used for academic research, statistical analysis, or for providing services to participants and subscribers. In any instance where a governmental body or third-party entity makes sale price information provided by the MLS available other than as provided for in this provision, a listing participant may request the sale price information for a specific property be withheld from dissemination for these purposes with written authorization from the seller, and withholding of sale price information from those entities shall not be construed as a violation of the requirement to report sale prices. *(Adopted 11/11)*

Note 3: As established in the Virtual Office Website("VOW") policy, sale prices can only be categorized as confidential in states where the actual sale prices of completed transactions are not accessible from public records. *(Adopted 11/11)*

Section 2.6 Reporting Resolutions of Contingencies. The listing broker shall report to the Multiple Listing Service within twenty-four (24) hours that a contingency on file with the Multiple Listing Service has been fulfilled or renewed, or the agreement cancelled.

Section 2.7 Advertising of Listing Filed with the Service. A listing shall not be advertised by any Participant other than the listing broker without the prior consent of the listing broker.

Section 2.8 Reporting Cancellation of Pending Sale. The listing broker shall report immediately to the Multiple Listing Service the cancellation of any pending sale, and the listing shall be reinstated immediately.

Section 2.9 Disclosing the Existence of Offers. Listing brokers, in response to inquiries from buyers or cooperating brokers shall, with the seller's approval,

disclose the existence of offers on the property. Where disclosure is authorized, the listing broker shall also disclose, if asked, whether offers were obtained by the listing licensee, by another licensee in the listing firm, or by a cooperating broker. *(Amended 11/08)*

Section 2.10_ Availability of Listed Property. Listing brokers shall not misrepresent the availability of access to show or inspect listed property. *(Adopted 11/05)*

Refusal to Sell

Section 3 Refusal to Sell. If the seller of any listed property filed with the Multiple Listing Service refuses to accept a written offer satisfying the terms and conditions stated in the listing, such fact shall be transmitted immediately to the Service and to all Participants.

Prohibitions

Section 4 Information for Participants Only. Any listing filed with the Service shall not be made available to any broker or firm not a Member of the MLS without the prior consent of the listing broker.

Section 4.1 “For Sale” Signs. Only the “For Sale” sign of the listing broker may be placed on a property. *(Amended 11/89)*

Section 4.2 “Sold” Signs. Prior to closing, only the “Sold” sign of the listing broker may be placed on a property, unless the listing broker authorizes the cooperating (selling) broker to post such a sign. *(Amended 4/96)*

Section 4.3 Solicitation of Listing Filed with the Service. Participants shall not solicit a listing on property filed with the Service unless such solicitation is consistent with Article 16 of the REALTOR’S® Code of Ethics, its Standards of Practice, and its Case Interpretations.

Note: This section is to be construed in a manner consistent with Article 16 of the Code of Ethics and particularly Standard of Practice 16-4. This section is intended to encourage sellers to permit their properties to be filed with the Service by protecting them from being solicited, prior to expiration of the listing, by brokers and salespersons seeking the listing upon its expiration.

Without such protection, a seller could receive hundreds of calls, communications, and visits from brokers and salespersons who have been made aware through MLS filing of the date the listing will expire and desire to substitute themselves for the present broker.

This section is also intended to encourage brokers to participate in the Service by assuring them that other Participants will not attempt to persuade the seller to breach the listing agreement or to interfere

with their attempts to market the property. Absent the protection afforded by this section, listing brokers would be most reluctant to generally disclose the identity of the seller or the availability of the property to other brokers.

This section does not preclude solicitation of listings under the circumstances otherwise recognized by the Standards of Practice related to Article 16 of the Code of Ethics.

Division of Commissions

Section 5 Compensation Specified on Each Listing. The listing broker shall specify, on each listing filed with the Multiple Listing Service, the compensation offered to other Multiple Listing Service Participants for their services in the sale of such listing. Such offers are unconditional except that entitlement to compensation is determined by the cooperating broker's performance as the procuring cause of the sale (or lease) or as otherwise provided for in this rule. The listing broker's obligation to compensate any cooperating broker as the procuring cause of the sale (or lease) may be excused if it is determined through arbitration that, through no fault of the listing broker and in the exercise of good faith and reasonable care, it was impossible or financially unfeasible for the listing broker to collect a commission pursuant to the listing agreement. In such instances, entitlement to cooperative compensation offered through MLS would be a question to be determined by an arbitration hearing panel based on all relevant facts and circumstances including, but not limited to, why it was impossible or financially unfeasible for the listing broker to collect some or all of the commission established in the listing agreement; at what point in the transaction did the listing broker know (or should have known) that some or all of the commission established in the listing agreement might not be paid; and how promptly had the listing broker communicated to cooperating brokers that the commission established in the listing agreement might not be paid. *(Amended 11/98)*

In filing a property with the Multiple Listing Service of an association of REALTORS[®], the Participant of the Service is making blanket unilateral offers of compensation to the other MLS Participants, and shall therefore specify on each listing filed with the Service, the compensation being offered to the other MLS Participants. Specifying the compensation on each listing is necessary, because the cooperating broker has the right to know what his compensation shall be prior to his endeavor to sell*. *(Amended 11/96)*

The listing broker retains the right to determine the amount of compensation offered to other Participants (acting as subagents, buyer agents, or in other agency or non-agency capacities defined by law) which may be the same or different. *(Amended 11/96)*

This shall not preclude the listing broker from offering any MLS participant compensation other than the compensation indicated on any listing published by the MLS, provided the listing broker informs the other broker, in writing, in advance of submitting an offer to purchase, and provided that the modification in the specified compensation is not the result of any agreement among all or any

other participants in the service. Any superseding offer of compensation must be expressed as either a percentage of the gross sales price or as a flat dollar amount. *(Amended 5/10)*

Note 1: The Multiple Listing Service shall not have a rule requiring the listing broker to disclose the amount of total negotiated commission in his listing contract, and the association Multiple Listing Service shall not publish the total negotiated commission on a listing which has been submitted to the MLS by a Participant. The association Multiple Listing Service shall not disclose in any way the total commission negotiated between the seller and the listing broker.

Note 2: The listing broker may, from time to time, adjust the compensation offered to other Multiple Listing Service Participants for their services with respect to any listing by advance published notice to the Service so that all Participants will be advised. *(Amended 4/92)*

Note 3: The Multiple Listing Service shall make no rule on the division of commissions between Participants and non-participants. This should remain solely the responsibility of the listing broker.

Note 4: Multiple listing services, at their discretion, may adopt rules and procedures enabling listing brokers to communicate to potential cooperating brokers that gross commissions established in listing contracts are subject to court approval, and that compensation payable to cooperating brokers may be reduced if the gross commission established in the listing contract is reduced by a court. In such instances, the fact that the gross commission is subject to court approval and either the potential reduction in compensation payable to cooperating brokers or the method by which the potential reduction in compensation will be calculated must be clearly communicated to potential cooperating brokers prior to the time they submit an offer that ultimately results in a successful transaction. *(Amended 5/10)*

**The compensation specified on listings filed with the Multiple Listing Service shall appear in one of two forms. The essential and appropriate requirement by an association Multiple Listing Service is that the information to be published shall clearly inform the participants as to the compensation they will receive in cooperative transactions, unless advised otherwise by the listing broker, in writing, in advance of submitting an offer to purchase. The compensation specified on listings published by the MLS shall be shown in one of the following forms:*

1. by showing a percentage of the gross selling price

2. by showing a definite dollar amount (Amended 05/10)

Note: *MLSs may also, as a matter of local discretion, allow participants to offer cooperative compensation as a percentage of the net sales price, with the net sales price defined as the gross sales price*

minus buyer upgrades (new construction) and seller concessions (as defined by the MLS unless otherwise defined by state law or regulation). (Adopted 5/08)

While MLSs are not required to authorize participants to offer cooperative compensation based on net sale prices, those that do permit such offers must define “seller concessions” for purposes other than new construction, unless that term is defined by applicable state law or regulation. The following definition of “seller concessions” is suggested but not required for adoption:

Points paid by seller on behalf of buyer, seller-paid buyer closing costs, cash or cash allowances not escrowed, down payment assistance, additions or alterations not considered deferred maintenance, and personal property not usual and customary to such transactions conveyed from seller to buyer having an agreed upon monetary value. *(Adopted 05/12)*

Note 5: Nothing in these MLS rules precludes a listing participant and a cooperating participant, as a matter of mutual agreement, from modifying the cooperative compensation to be paid in the event of a successful transaction. *(Adopted 11/05)*

Note 6: Multiple listing services must give participants the ability to disclose to other participants any potential for a short sale. As used in these rules, short sales are defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale, and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies. Multiple listing services may, as a matter of local discretion, require participants to disclose potential short sales when participants know a transaction is a potential short sale. In any instance where a participant discloses a potential short sale, they may, as a matter of local discretion, also be permitted to communicate to other participants how any reduction in the gross commission established in the listing contract required by the lender as a condition of approving the sale will be apportioned between listing and cooperating participants. All confidential disclosures and confidential information related to short sales, if allowed by local rules, must be communicated through dedicated fields or confidential “remarks” available only to participants and subscribers. *(Amended 5/09)*

Section 5.0.1 Disclosing Potential Short Sales. Participants must disclose potential short sales (defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies) when reasonably known to the listing participants. *(Amended 5/09)*

When disclosed, participants may, at their discretion, advise other participants whether and how any reduction in the gross commission established in the listing

contract, required by the lender as a condition of approving the sale, will be apportioned between listing and cooperating participants. *(Adopted 5/09)*

Section 5.1 Participant as Principal. If a Participant or any licensee (or licensed or certified appraiser) affiliated with a Participant has any ownership interest in a property, the listing of which is to be disseminated through the Multiple Listing Service, that person shall disclose that interest when the listing is filed with the Multiple Listing Service and such information shall be disseminated to all Multiple Listing Service Participants.

Section 5.2 Participant as Purchaser. If a Participant or any licensee (including licensed and certified appraisers) affiliated with a Participant wishes to acquire an interest in property listed with another Participant, such contemplated interest shall be disclosed, in writing, to the listing broker not later than the time an offer to purchase is submitted to the listing broker. *(Adopted 2/92)*

Section 5.3 Dual or Variable Rate Commission Arrangements The existence of a dual or variable rate commission arrangement (i.e., one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker without assistance and a different commission if the sale/lease results through the efforts of a cooperating broker; or one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker either with or without the assistance of a cooperating broker and a different commission if the sale/lease results through the efforts of a seller/landlord) shall be disclosed by the listing broker by a key, code, or symbol as required by the MLS. The listing broker shall, in response to inquiries from potential cooperating brokers, disclose the differential that would result in either a cooperative transaction or, alternatively, in a sale/lease that results through the efforts of the seller/landlord. If the cooperating broker is a buyer/tenant representative, the buyer/tenant representative must disclose such information to their client before the client makes an offer to purchase or lease. *(Amended 05/01)*

Service Charges

Section 6 Service Fees and Charges. The following service charges for operation of the Multiple Listing Service are in effect to defray the costs of the Service and are subject to change from time to time in the manner prescribed.

- (a) **Initial Participation Fee** A Designated REALTOR® applicant for participation in the Service shall pay an application fee as set forth annually by the Highland Lakes Association of REALTORS® Board of Directors with such fee to accompany the application. A non-principal member applicant for participation in the Service shall pay an application fee as set forth annually by the Highland Lakes Association of REALTORS® Board of Directors with such fee to accompany the application.

Note: The initial participation fee shall approximate the cost of bringing the Service to the Participant.

(b) **Recurring Participation Fee** The annual participation fee of each Participant shall be an amount as established by the Board of Directors times each salesperson and licensed or certified appraiser who has access to and use of the Service, whether licensed as a broker, sales licensee, or licensed or certified appraiser who is employed by or affiliated as an independent contractor with such Participant. Payment of such fees shall be made quarterly.

Note: A Multiple Listing Service may elect to have such fees payable on a quarterly or even on a monthly basis. However, added administrative services are necessitated by increased frequency of such payments.

(c) **Subscription Fees** One complete set of current listings shall be supplied to the Participant upon payment of the application fee and the participation fee all MLS Fees, dues, and charges, including, but not limited to initial participation fees, recurring fees, listing origination fees, subscription fees, etc., shall be assessed only to the MLS Participant (including licensed or certified appraisers). Payment of such fees may only be accepted from the MLS Participant, and not from non-principal brokers or sales licensees affiliated with the Participant. None of the foregoing is intended to preclude the MLS Participant from being reimbursed by affiliated licensees for fees or charges incurred on their behalf pursuant to any in-house agreement that may exist.

Note 1: This should be a minimal charge based on actual costs of producing and distributing the information.

Note 2: Any combination of charges may be used if they are in accordance with the National Association's MLS Policy Point No. 3. Antitrust Compliance prohibits a fee that is contingent on the sale of a listed property.

Note 3: Financing from the Multiple Listing Service should be adequate but not in such amounts as to be the source of financing the association's operation. The Multiple Listing Service should pay its own way and allow for a reasonable operating reserve, but is merely another service of the association and not the principal activity or reason for the association's existence. As long as it is able to restrict its services exclusively or primarily to association members, the Service is not properly an association profit center.

Note 4: Multiple Listing Services that choose to include affiliated unlicensed administrative and clerical staff, personal assistants, and/or individuals seeking licensure or certification as real estate appraisers among those eligible for access to and use of MLS information as subscribers may, at their discretion, amend Section 6, recurring

participation fee and subscription fees, as necessary to include such individuals in the computation of MLS fees and charges. *(Adopted 4/92)*

Compliance with Rules

Section 7 Compliance with Rules – Authority to Impose Discipline. By becoming and remaining a Participant or Subscriber in this MLS, each Participant and Subscriber agrees to be subject to the rules and regulations and any other MLS governance provision. The MLS may, through the administrative and hearing procedures established in these rules, impose discipline for violations of the rules and other MLS governance provisions. Discipline that may be imposed may only consist of one or more of the following:

- (a.) letter of warning
- (b.) letter or reprimand
- (c.) attendance at MLS orientation or other appropriate courses or seminars which the Participant or Subscriber can reasonably attend taking into consideration cost, location, and duration
- (d.) appropriate, reasonable fine not to exceed \$15,000
- (e.) suspension of MLS rights, privileges, and services for not less than thirty (30) days nor more than one (1) year

termination of MLS rights, privileges, and services with no right to reapply for a specified period not to exceed three (3) years. *(Adopted 11/07)*

Note: A participant (or user/subscriber, where appropriate) can be placed on probation. Probation is not a form of discipline. When a participant (or user/subscriber, where appropriate) is placed on probation the discipline is held in abeyance for a stipulated period of time not longer than one (1) year. Any subsequent finding of a violation of the MLS rules during the probationary period may, at the discretion of the Board of Directors, result in the imposition of the suspended discipline. Absent any subsequent findings of a violation during the probationary period, both the probationary status and the suspended discipline are considered fulfilled, and the individual's record will reflect the fulfillment. The fact that one or more forms of discipline are held in abeyance during the probationary period does not bar imposition of other forms of discipline which will not be held in abeyance. (Revised 05/14) M

Section 7.1 Compliance with Rules. The following action may be taken for noncompliance with the rules:

- (a) for failure to pay any service charge or fee within one (1) month of the date due, and provided that at least ten (10) days' notice has been given, the Service shall be suspended until service charges or fees are paid in full.
- (b) for failure to comply with any other rule, the provisions of Sections 9 and 9.1 shall apply
- (c) MLS quarterly dues are due and payable upon receipt. Participants whose dues are not paid within thirty (30) days will be deactivated from the MLS. To reactive the deactivated participant there will be a fine of one hundred (\$100) dollars or twenty-five (\$25) dollars per participant, whichever is greater
- (d) The broker is responsible for collecting the quarterly dues and in turn remitting one (1) payment form to the association for the total amount due.

Note: Generally, warning censure, and the imposition of a moderate fine are sufficient to constitute a deterrent to violation of the rules and regulations of the Multiple Listing Service. Suspension or termination is an extreme sanction to be used in cases of extreme or repeated violation of the rules and regulations of the Service. If the MLS desires to establish a series of moderate fines, they should be clearly specified in the rules and regulations. *(Amended 11/88)*

Section 7.2 Applicability of Rules to Users and/or Subscribers. Non-principal brokers, sales licensees, appraisers, and others authorized to have access to information published by the MLS are subject to these rules and regulations and may be disciplined for violations thereof provided that the user or subscriber has signed an agreement acknowledging that access to and use of MLS information is contingent on compliance with the rules and regulations. Further, failure of any user or subscriber to abide by the rules and/or any sanction imposed for violations thereof can subject the Participant to the same or other discipline. This provision does not eliminate the Participant's ultimate responsibility and accountability for all users or subscribers affiliated with the Participant. *(Adopted 4/92)*

Meetings

Section 8 Meetings of MLS Committee. The Multiple Listing Service Committee shall meet for the transaction of its business at a time and place to be determined by the Committee or at the call of the Chairperson.

Section 8.1 Meetings of MLS Participants. The Committee may call meetings of the Participants in the Service to be known as meetings of the Multiple Listing Service.

Section 8.2 Conduct of the Meetings The Chairperson or Vice Chairperson shall preside at all meetings or, in their absence, a temporary Chairperson from the membership of the Committee shall be named by the Chairperson or, upon his failure to do so, by the Committee.

Enforcement of Rules or Disputes

Section 9 Consideration of Alleged Violations. The Committee shall give consideration to all written complaints having to do with violations of the rules and regulations. *(Amended 2/98)*

Section 9.1 Violations of Rules and Regulations. If the alleged offense is a violation of the rules and regulations of the Service and does not involve a charge of alleged unethical conduct or request for arbitration, it may be administratively considered and determined by the Multiple Listing Service Committee, and if a violation is determined, the Committee may direct the imposition of sanction, provided the recipient of such sanction may request a hearing before the Professional Standards Committee of the association in accordance with the bylaws and rules and regulations of the association of REALTORS® within twenty (20) days following receipt of the Committee's decision. *(Amended 11/96)*

If, rather than conducting an administrative review, the Multiple Listing Committee has a procedure established to conduct hearings, the decision of the Multiple Listing Committee may be appealed to the Board of Directors of the association of REALTORS® within twenty (20) days of the tribunal's decision being rendered. Alleged violations involving unethical conduct shall be referred to the Association's Grievance Committee for processing in accordance with the professional standards procedures of the association. If the charge alleges a refusal to arbitrate, such charge shall be referred directly to the Board of Directors of the association of REALTORS®. *(Amended 2/98)*

Section 9.2 Complaints of Unethical Conduct. All other complaints of unethical conduct shall be referred by the Committee to the Secretary of the association of REALTORS® for appropriate action in accordance with the professional standards procedures established in the association's bylaws. *(Amended 11/88)*

Confidentiality of MLS Information

Section 10 Confidentiality of MLS Information. Any information provided by the Multiple Listing Service to the Participants shall be considered official information of the Service. Such information shall be considered confidential and exclusively for the use of Participants and real estate licensees affiliated with such Participants and those Participants who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property and licensed or certified appraisers affiliated with such Participants. *(Amended 4/92)*

Section 10.1 MLS Not Responsible for Accuracy of Information. The information published and disseminated by the Service is communicated verbatim, without change by the Service, as filed with the Service by the Participant. The Service does not verify such information provided and disclaims any responsibility for its accuracy. Each Participant agrees to hold the Service harmless against any liability arising from any inaccuracy or inadequacy of the information such Participant provides.

Ownership of MLS Compilation* and Copyright

Section 11 By the act of submitting any property listing content to the MLS and/or its system provider, the Participant represents that he has been authorized to grant and also thereby does grant authority for the MLS to include the property listing content in its copyrighted MLS compilation and also in any statistical report on comparables. Listing content includes, but is not limited to, photographs, images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details or information related to the listed property. (*Updated 7/15*)

Section 11.1 All right, title, and interest in each copy of every Multiple Listing compilation created and copyrighted by the Highland Lakes Association of REALTORS® and in the copyrights therein, shall at all times remain vested in the Highland Lakes Association of REALTORS®.

Section 11.2 Each Participant shall be entitled to lease from the Highland Lakes Association of REALTORS® a number of copies of each MLS compilation sufficient to provide the Participant and each person affiliated as a licensee (including licensed or certified appraisers) with such Participant with one copy of such compilation. The Participant shall pay for each such copy the rental fee set by the association.

Participants shall acquire by such lease only the right to use the MLS compilation in accordance with these rules.

Use of Copyrighted MLS Compilation

Section 12 Distribution. Participants shall, at all times, maintain control over and responsibility for each copy of any MLS compilation leased to them by the association of REALTORS®, and shall not distribute any such copies to persons other than subscribers who are affiliated with such Participant as licensees, those individuals who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property, and any other subscribers as authorized pursuant to the governing documents of the MLS. Use of information developed by or published by an association Multiple Listing Service is strictly limited to the activities authorized under a Participant's licensure(s) or certification, and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey "Participation" or "Membership" or any right of access to information developed or published by a association Multiple Listing Service where access to such information is prohibited by law. (*Amended 4/92*)

Section 12.1 Display. Participants and those persons affiliated as licensees with such Participants shall be permitted to display the MLS compilation* to prospective purchasers only in conjunction with their ordinary business activities of attempting to locate ready, willing, and able buyers for the properties described in said MLS compilation.

**The term "MLS compilation," as used in Sections 11 and 12 herein, shall be construed to include any format in which property listing data is collected and disseminated to the Participants, including but not limited to bound book, loose-leaf binder, computer database, card file, or any other format whatsoever.*

Section 12.2 Reproduction. Participants or their affiliated licensees shall not reproduce any MLS compilation or any portion thereof, except in the following limited circumstances:

Participants or their affiliated licensees may reproduce from the MLS compilation and distribute to prospective purchasers a reasonable number of single copies of property listing data contained in the MLS compilation which relate to any properties in which the prospective purchasers are or may, in the judgment of the participants or their affiliated licensees, be interested.

Nothing contained herein shall be construed to preclude any participant from utilizing, displaying, distributing, or reproducing property listing sheets or other compilations of data pertaining exclusively to properties currently listed for sale with the participant.

Any MLS information, whether provided in written or printed form, provided electronically, or provided in any other form or format, is provided for the exclusive use of the participant and those licensees affiliated with the participant who are authorized to have access to such information. Such information may not be transmitted, retransmitted, or provided in any manner to any unauthorized individual, office, or firm.

None of the foregoing shall be construed to prevent any individual legitimately in possession of current listing information, sold information, comparables, or statistical information from utilizing such information to support valuations on properties for -clients and customers. Any MLS content in data feeds available to participants for real estate brokerage purposes must also be available to participants for valuation purposes, including automated valuations. MLSs must either permit use of existing data feeds, or create a separate data feed, to satisfy this requirement. MLSs may require execution of a third-party license agreement where deemed appropriate by the MLS. MLSs may require participants who will use such data feeds to pay the reasonably estimated costs incurred by the MLS in adding or enhancing its downloading capacity for this purpose. used as

supporting documentation. Any other use of such information is unauthorized and prohibited by these rules and regulations. (Amended 05/14) **M**

Use of MLS Information

Section 13 Limitations on Use of MLS Information. Use of information from MLS compilation of current listing information, from the association's statistical report, or from any sold or comparable report of the association or MLS for public mass-media advertising by an MLS Participant or in other public representations, may not be prohibited.

However, any print or non-print forms of advertising or other forms of public representations based in whole or in part on information supplied by the association or its MLS must clearly demonstrate the period of time over which such claims are based and must include the following, or substantially similar, notice:

Based on information from the Association of REALTORS® (alternatively, from the Highland Lakes Association of REALTORS® MLS) for the period (date) through (date). (Amended 11/93)

Changes in Rules and Regulations

Section 14 Changes in Rules and Regulations. Amendments to the rules and regulations of the Service shall be by a 10% vote of the Principal Participant Members of the Multiple Listing Service Committee, subject to approval by the Board of Directors of the association of REALTORS®.

Note: Some Associations may prefer to change the rules and regulations by a vote of the Participants, subject to approval by the Board of Directors of the association of REALTORS®.

Section 15: Not Applicable

Section 16: Not Applicable

Orientation

Section 17 Orientation. Any applicant for MLS Participation and any licensee affiliated with an MLS Participant who has access to and use of MLS-generated information shall complete an orientation program of no more than eight (8) classroom hours devoted to the MLS rules and regulations and computer training related to MLS information entry and retrieval and the operation of the MLS within thirty (30) days after access has been provided. (Amended 11/04)

Participants and subscribers may be required, at the discretion of the MLS, to complete additional training of not more than four (4) classroom hours in any twelve (12) month period when deemed necessary by the MLS to familiarize participants and subscribers with system changes or enhancement and/or changes to MLS rules or policies. Participants and subscribers must be given the opportunity to complete any mandated additional training remotely. *(Adopted 11/09)*

The Internet Data Exchange (IDX)

Note: These model rules, originally adopted in November 2001, are updated to reflect comprehensive enhancements to the IDX policy approved in November 2009.

IDX affords MLS participants the ability to authorize limited electronic display of their listings by other participants. *(Amended 5/12)*

Section 18.1 Authorization. Participants' consent for display of their listings by other participants pursuant to these rules and regulations is presumed unless a participant affirmatively notifies the MLS that the participant refuses to permit display (either on a blanket or on a listing-by-listing basis). If a participant refuses on a blanket basis to permit the display of that participant's listings, that participant may not download, frame or display the aggregated MLS data of other participants. Even where participants have given blanket authority for other participants to display their listings on IDX sites, such consent may be withdrawn on a listing-by-listing basis where the seller has prohibited all Internet display. *(Amended 5/12)*

Section 18.2 Participation. Participation in IDX is available to all MLS participants who are Realtors® who are engaged in real estate brokerage and who consent to display of their listings by other participants. *(Amended 11/09)*

Section 18.2.1 Participants must notify the MLS of their intention to display IDX information and must give the MLS direct access for purposes of monitoring/ensuring compliance with applicable rules and policies. *(Amended 5/12)*

Section 18.2.2 MLS Participants may not use IDX-provided listings for any purpose other than display as provided for in these rules. This does not require participants to prevent indexing of IDX listings by recognized search engines. *(Amended 5/12)*

Section 18.2.3 Listings, including property addresses, can be included in IDX displays except where a seller has directed their listing broker to withhold their listing or the listing's property address from all display on the Internet (including, but not limited to, publicly-accessible websites or VOWs). *(Amended 5/12)*

Section 18.2.4 Participants may select the listings they choose to display on their IDX sites based only on objective criteria including, but not limited to, factors such as geography or location ("uptown," "downtown," etc.), list price, type of

property (e.g., condominiums, cooperatives, single-family detached, multi-family), cooperative compensation offered by listing brokers, type of listing (e.g., exclusive right-to-sell, exclusive agency, or open listing), or the level of service being provided by the listing firm. Selection of listings displayed on any IDX site must be independently made by each Participant. *(Amended 11/06)*

Section 18.2.5 Participants must refresh all MLS downloads and IDX displays automatically fed by those downloads at least once every 12 hours. *(Amended 11/14)* **M**

Section 18.2.6 Except as provided in the IDX policy and these rules, an IDX site or a Participant or user operating an IDX site or displaying IDX information as otherwise permitted may not distribute, provide, or make any portion of the MLS database available to any person or entity. *(Amended 5/12)*

Section 18.2.7 Any IDX display controlled by a Participant must clearly identify the name of the brokerage firm under which they operate in a readily visible color and typeface. For purposes of the IDX policy and these rules, “control” means the ability to add, delete, modify and update information as required by the IDX policy and MLS rules. *(Amended 5/12)*

Section 18.2.8 Any IDX display controlled by a participant or subscriber that

(a.) allows third-parties to write comments or reviews about particular listings or displays a hyperlink to such comments or reviews in immediate conjunction with particular listings, or

(b.) displays an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing,

either or both of those features shall be disabled or discontinued for the seller’s listings at the request of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disable or discontinued on all displays controlled by Participants. Except for the foregoing and subject to Section 18.2.9, a Participant’s IDX display may communicate the Participant’s professional judgment concerning any listing. Nothing shall prevent an IDX display from notifying its customers that a particular feature has been disabled at the request of the seller. *(Adopted 5/12)*

Section 18.2.9

Participants shall maintain a means (e.g., e-mail address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of the participant beyond that supplied by the MLS and that relates to a specific property. Participants shall correct or remove any false data or information relating to a specific property upon receipt of a communication from the listing broker or listing agent for the property explaining why the data or information is false. However,

participants shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice, or professional judgment. *(Amended 5/12)*

Section 18.2.10

An MLS Participant (or where permitted locally, an MLS Subscriber) may co-mingle the listings of other brokers received in an IDX feed with listings available from other MLS IDX feeds, provided all such displays are consistent with the IDX rules, and the MLS Participant (or MLS Subscriber) holds participatory rights in those MLSs. As used in this policy, “co-mingling” means that consumers are able to execute a single property search of multiple IDX data feeds resulting in the display of IDX information from each of the MLSs on a single search results page; and that Participants may display listings from each IDX feed on a single webpage or display. (Adopted 11/14) **M**

Section 18.3 Display. Display of listing information pursuant to IDX is subject to the following rules:

Section 18.3.1 Listings displayed pursuant to IDX shall contain only those fields of data designated by the MLS. Display of all other fields (as determined by the MLS) is prohibited. Confidential fields intended only for other MLS participants and users (e.g., cooperative compensation offers, showing instructions, property security information, etc.) may not be displayed. *(Amended 5/12)*

Section 18.3.1.1 The type of listing agreement (e.g., exclusive right to sell, exclusive agency, etc.) may not be displayed. *(Amended 5/12)*

Section 18.3.2 Participants shall not modify or manipulate information relating to other participants' listings. (This is not a limitation on site design but refers to changes to actual listing data.) MLS data may be augmented with additional data not otherwise prohibited from display so long as the source of the additional data is clearly identified. This requirement does not restrict the format of MLS data display or display of fewer than all of the available listings or fewer authorized data fields.

Section 18.3.3 All listings displayed pursuant to IDX shall identify the listing firm in a reasonably prominent location and in a readily visible color and typeface not smaller than the median used in the display of listing data. *(Amended 11/09)* Displays of minimal information (e.g., “thumbnails”, text messages, “tweets”, etc., if two hundred [200] characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. *(Amended 5/12)*

Section 18.3.4 All listings displayed pursuant to IDX shall identify the listing agent.

Section 18.3.5 Non-principal brokers and sales licensees affiliated with IDX

participants may display information available through IDX on their own Web sites subject to their participant's consent and control and the requirements of state law and/or regulation.

Section 18.3.6 – Deleted Nov 2006

Section 18.3.7 All listings displayed pursuant to IDX shall show the MLS as the source of the information. Displays of minimal information (e.g., “thumbnails”, text messages, “tweets”, etc., of two hundred [200] characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. *(Amended 5/12)*

Section 18.3.8 Participants (and their affiliated licensees, if applicable) shall indicate on their Web sites that IDX information is provided exclusively for consumers' personal, non-commercial use, that it may not be used for any purpose other than to identify prospective properties consumers may be interested in purchasing, and that data is deemed reliable but is not guaranteed accurate by the MLS. The MLS may, at its discretion, require use of other disclaimers as necessary to protect participants and/or the MLS from liability. Displays of minimal information (e.g., “thumbnails”, text messages, “tweets”, etc., of two hundred [200] characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. *(Amended 5/12)*

Section 18.3.9 The data consumers can retrieve or download in response to an inquiry shall be determined by the MLS but in no instance shall be limited to fewer than one hundred (100) listings or five percent (5%) of the listings available for IDX display, whichever is fewer. *(Amended 11/09)*

Section 18.3.10 The right to display other participants' listings pursuant to IDX shall be limited to a participant's office(s) holding participatory rights in this MLS.

Section 18.3.11 Listings obtained through IDX feeds from REALTOR® Association MLSs where the MLS Participant holds participatory rights must be displayed separately from listings obtained from other sources. Listings obtained from other sources (e.g., from other MLSs, from non-participating brokers, etc.) must display the source from which each such listing was obtained. Displays of minimal information (e.g., “thumbnails”, text messages, “tweets”, etc., of two hundred [200] characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. *(Amended 11/14)* ○

Note: An MLS Participant (or where permitted locally, an MLS Subscriber) may co-mingle the listings of other brokers received in an IDX feed with listings available from other MLS IDX feeds, provided all such displays are consistent with the IDX rules, and the MLS Participant (or MLS Subscriber) holds participatory rights in those MLSs. As used in this policy, “co-mingling” means that consumers are able to execute a single property search of multiple IDX data feeds resulting in the display of IDX information from each of the MLSs on a

single search results page; and that Participants may display listings from each IDX feed on a single webpage or display. (Adopted 11/14)

Section 18.3.12 Display of expired, withdrawn, pending, and sold listings* is prohibited. (Amended 11/14)

* Note: If “sold” information is publicly accessible, display of “sold” listings may not be prohibited. (Adopted 11/14) **M**

Section 18.3.13 Display of seller’s(s’) and/or occupant’s(s’) name(s), phone number(s), and email address(es) is prohibited.

Section 18.3.14 Participants are required to employ appropriate security protection such as firewalls on their websites and displays provided that any security measures required may not be greater than those employed by the MLS. (Amended 5/12)

Section 18.3.15 Participants must maintain an audit trail of consumer activity on their website and make that information available to the MLS if the MLS believes the IDX site has caused or permitted a breach in the security of the data or a violation of MLS rules related to use by consumers. (Amended 5/12)

Section 18.3.16 Deceptive or misleading advertising (including co-branding) on pages displaying IDX-provided listings is prohibited. For purposes of these rules, co-branding will be presumed not to be deceptive or misleading if the participant’s logo and contact information is larger than that of any third party. (Adopted 11/09)

Section 18.4 Service Fees and Charges Service fees and charges for participation in IDX shall be as established annually by the Board of Directors. (Adopted 11/01, Amended 5/05)

Section 19 - Model Virtual Office Website (VOW) Rules for MLSs

Note: Adoption of Sections 19.1 through 19.14 is required.

Section 19.1 VOW Defined

(a) A Virtual Office Website (“VOW”) is a Participant’s Internet website, or a feature of a Participant’s website, through which the Participant is capable of providing real estate brokerage services to consumers with whom the Participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS Listing Information, subject to the Participant’s oversight, supervision, and accountability. A non-principal broker or sales licensee affiliated with a Participant may, with his or her Participant’s consent, operate a VOW. Any VOW of a non-principal broker or sales licensee is subject to the Participant’s oversight, supervision, and accountability.

(b) As used in Section 19 of these Rules, the term “Participant” includes a Participant’s affiliated non-principal brokers and sales licensees – except when the term is used in the phrases “Participant’s consent” and

“Participant’s oversight, supervision, and accountability”. References to “VOW” and “VOWs” include all VOWs, whether operated by a Participant, by a non-principal broker or sales licensee, or by an Affiliated VOW Partner (“AVP”) on behalf of a Participant.

- (c) “Affiliated VOW Partner” (“AVP”) refers to an entity or person designated by a Participant to operate a VOW on behalf of the Participant, subject to the Participant’s supervision, accountability and compliance with the VOW Policy. No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a Participant. No AVP has the right to use MLS Listing Information except in connection with operation of a VOW on behalf of one or more Participants. Access by an AVP to MLS Listing Information is derivative of the rights of the Participant on whose behalf the AVP operates a VOW.
- (d) As used in Section 19 of these Rules, the term “MLS Listing Information” refers to active listing information and sold data provided by Participants to the MLS and aggregated and distributed by the MLS to Participants.

Section 19.2

- (a) The right of a Participant’s VOW to display MLS Listing Information is limited to that supplied by the MLS(s) in which the Participant has participatory rights. However, a Participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices.
- (b) Subject to the provisions of the VOW Policy and these Rules, a Participant’s VOW, including any VOW operated on behalf of a Participant by an AVP, may provide other features, information, or functions, e.g. Internet Data Exchange (“IDX”).
- (c) Except as otherwise provided in the VOW Policy or in these Rules, a Participant need not obtain separate permission from other MLS Participants whose listings will be displayed on the Participant’s VOW.

Section 19.3

- (a) Before permitting any consumer to search for or retrieve any MLS Listing Information on his or her VOW, the Participant must take each of the following steps:
 - (i) The Participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter “Registrants”). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.

- (v.) That the Registrant acknowledges the MLS's ownership of, and the validity of the MLS's copyright in, the MLS database.
- (e) The Terms of Use Agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the Participant. Any agreement entered into at any time between the Participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the Participant must be established separately from the Terms of Use, must be prominently labeled as such, and may not be accepted solely by mouse click.
- (f) The Terms of Use Agreement shall also expressly authorize the MLS, and other MLS Participants or their duly authorized representatives, to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of Participants' listings by the VOW. The Agreement may also include such other provisions as may be agreed to between the Participant and the Registrant.

Section 19.4 A Participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the Participant to ask questions, or get more information, about any property displayed on the VOW. The Participant, or a non-principal broker or sales licensee licensed with the Participant, must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that Participant and displayed on the VOW.

Section 19.5 A Participant's VOW must employ reasonable efforts to monitor for, and prevent, misappropriation, "scraping", and other unauthorized use of MLS Listing Information. A Participant's VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by the MLS.

Note: MLSs may adopt rules requiring Participants to employ specific security measures, provided that any security measure required does not impose obligations greater than those employed by the MLS.

Section 19.6

- (a) A Participant's VOW shall not display listings or property addresses of any seller who has affirmatively directed the listing broker to withhold the seller's listing or property address from display on the Internet. The listing broker shall communicate to the MLS that the seller has elected not to permit display of the listing or property address on the Internet. Notwithstanding the foregoing, a Participant who operates a VOW may provide to consumers via other delivery mechanisms, such as email, fax, or otherwise, the listings of sellers who have determined not to have the listing for their property displayed on the Internet.

(b) A Participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a document that includes the following (or a substantially similar) provision:

Seller Opt-out Form

1. Check one.
 - a. ___ I have advised my broker or sales agent that I do not want the listed property to be displayed on the Internet.
 - b. ___ I have advised my broker or sales agent that I do not want the address of the listed property displayed on the Internet.
2. I understand and acknowledge that if I have selected Option a., consumers who conduct searches for listings on the Internet will not see information about the listed property in response to their searches.

Initials of Seller

- (c) The Participant shall retain such forms for at least one (1) year from the date they are signed, or one year from the date the listing goes off the market, whichever is greater.

Section 19.7

- (a) Subject to Subsection b., below, a Participant's VOW may allow third-parties:
 - (i) to write comments or reviews about particular listings or display a hyperlink to such comments or reviews in immediate conjunction with particular listings, or
 - (ii) display an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing
- (b) Notwithstanding the foregoing, at the request of a seller, the Participant shall disable or discontinue either or both of those features described in subsection a. as to any listing of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all Participants' websites. Subject to the foregoing and to Section 19.8, a Participant's VOW may communicate the Participant's professional judgment concerning any listing. A
